Examiner: N. C. Yang

**RESPONSE TO RESTRICTION REQUIREMENT**

MS Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

In response to the restriction requirement set forth in the Office Action mailed October 6, 2006, Applicants hereby elect Group III, claims 27-40, *without traverse*, for continued examination. Since applicants have chosen the claims directed to a method of detecting the presence of a protein containing analyte sample, and have not chosen claims directed to the sample itself, no further selection of species is required.

In the event that the Patent Office determines that an extension and/or other relief is required, Applicants petition for any required relief including extensions of time and authorize the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing **070702007200**.

Dated: November 6, 2006

Respectfully submitted,

By

Jonathan Bockman
